To

THE PRESIDENT AND MEMBERS

OF THE BOARD OF REVENUE,

FORT SAINT GEORGE.

GENTLEMEN,

The investigation being completed into the numerous claims of Yeomiahs existing in the Northern Division of Arcot proper and of those transferred from the Southern Division of Arcot and the Chingleput Zillah, I have now the honor to lay before you the result as comprised in the following Statements :—

A. General Statement of Yeomiahs, including life, Service and Hereditary in the present Zillah of Chittoor.
B. A separate Statement of Mootaligan or Hereditary Yeomiahs.
C. An Abstract Statement of all descriptions of Yeomiahs showing those which have been reduced with 15 members of—Lists.

	S. P. F. C.
By the Abstract C. your Board will observe that the total number of claims of Yeomiahs in the Northern Division of Arcot and in the Districts transferred to me from the Southern Division of Arcot and the Chingleput Zillah, amounted after deducting those claims which were investigated and rejected before they were transferred to me to	32,660 3 2
Of this amount has been allowed to stand after investigation	26,557 22 70
Making the Annual Disbursement, which has been reduced, amount to	6,102 25 12

The particular reasons which influenced the reduction of each Yeomiah may be stated under the following fifteen Heads :—

	S. P. F. C.
Certain Yeomiahs were discontinued in consequence of the decease of individuals, these amount to	3,238 14 24
Certain Yeomiahs discontinued because granted by Relations of Nabobs and other unauthorized persons, these amount to	725 26 31
Do. do. because there was no occasion for the Services for which they were granted, these amount to	191 39 78
Do. do. because the names of the claimants and the names entered in the Register of Fusly 1210 did not correspond, these amount to	31 27 36
Do. do. because not entered in the Register of Fusly 1210, these amount to	536 19 74
Do. do. because though entered in Register of Fusly 1210 they had not corresponding Purwannahs or other proper Documents, these amount to	349 12 C6
Do. do. because the individuals had not made their appearance from Fusly 1216 to the end of Fusly 1211, these amount to	368 10 42
Do. do. because they have other means of support, these amount to...	75 28 74
Do. do. being Yeomiahdars whose cases were declared by Mr. Ravenshaw to be doubtful but have not made their appearance, these amount to	258 8 60
Do. do. discontinued because the Documents produced do not support their claims, these amount to	119 44 77
Do. do. because the Families have become extinct in whose favor the Grants were, these amount to	50 25 57
Service Yeomiahs curtailed as greater than their Services necessary, these amount to...	82 9 49
Certain Yeomiahs discontinued because the individuals had neglected the Service for which they were given and gone to other places, these amount to	24 0 0
Do. do. because the period has expired to which the Yeomiahs were limited, these amount to	25 12 72
Do. do. because the individuals are not to be found and the Services for which they were given are not performed, these amount to	25 12 72
	6,102 25 12

In the event of any complaints being preferred to the Board as to the validity of the reductions thus made reference need only to be made to the particular Lists attached to Abstract C., which specify the names of the parties who claim the Yeomiahs.

The separate Statement B. is the result of a minute enquiry into the claims of Mootaligan or Hereditary Yeomiahdars made in consequence of the Board's instructions of the 23rd December 1811. The remarks upon each claim show the validity or otherwise of it, according to different circumstances or as tried by the interpretation established for the term Mootaligan by your Secretary's letter of the 21st January 1813.

To these I think it necessary to add before the Board pass a final decision an observation which applies to a great part of the Yeomiahs that fresh Sunnads have been issued by the Collector for them, and that in acting so with respect to those which came under my examination I conceived myself acting conformably with the instructions of Government as conveyed by the correspondence of your Board. In particular, I was led to put an extensive construction upon the word Mootaligan by your Secretary's letter to me of the 13th April 1808, in answer to a reference from me of the 14th March 1808 in which I am informed "That all claims from "persons mentioned in the Register or the claims of their descendants if the Grant "is inserted in the Register as Hereditary, should be admitted, provided the "identity of these persons should be ascertained."

The total number of claims, the validity of which is called in question by the late revision is eleven and the annual amount of them is Star Pagodas 356-1-1.

Chittoor, (Sigd.) H. S. GRÆME,

1st *December* 1813. *Collector.*

No. 250. Revenue Department.

To

THE COLLECTOR

OF ARCOT.

I am,

Sir,

Your most obedient Servant,

Fort St. George, (Sigd.) J. HANBURY,

13*th July* 1815. *Secretary.*

This claim was originally founded upon a Purwannah of Abdul Wahab Khan, Brother of the Nabob Wallajah, which, under the instructions of the Board, must be considered invalid as proceeding from incompetent authority; the Collector of the Chingleput Zillah has however given a fresh Sunned which is distinguished according to orders as a khyrat or charitable grant but this Sunned is in the name of the Mootalekan or family of Mahaboobi Alum Goojrattee: whereas the original Purwannah of Abdul Wahab Khan only extends to the life of Yemnah Shah to which it should therefore be limited by a fresh Sunned if still alive, which is rather doubtful.
